Job (Smyth & Helwys Bible Commentary) (Book & CD-ROM)

Samuel E. Balentine

Job (Smyth & Helwys Bible Commentary) (Book & CD-ROM) Samuel E. Balentine

Written by caring and accomplished scholars with all students of Scripture in mind, this innovative series makes quality Bible study more accessible. Pastors, professors and students of Scripture are discovering that this commentary provides wonderful new tools for enhancing interpretation: informative sidebars, a wealth of fine art visuals, and a searchable CD containing the digital version of the entire work. The book of Job is considered by many to be the crown jewel of biblical literature in its claim to speak about God. The word that defines the challenge for every reader of the book is "struggle." The struggle results from the fact that whatever Job's truth may be, he was neither the first nor the last to try to articulate it. In the midst of so many words in this world about God from writers within and outside the scriptural witness, this book offers a truly astonishing declaration about what it means to live in a world where order breaks down and chaos runs amok, where the innocent suffer and the wicked thrive, where cries for help go unanswered. This new commentary by biblical scholar Samuel Balentine leads readers on an in-depth and far-reaching look at the nature of the book of Job and the various attempts by the many who have sought to further explore Job's essential struggle.
