## Last Salute Tracey Richardson

From the author of *The Campaign* and *No Rules of Engagement...*

Pamela Wright will never forgive her sister for dying in the Afghanistan war or the army for Laura's death or anyone else for making it okay for Laura to go halfway around the world to fight for reasons Pam has never fathomed. Numb with grief, she buries her sister but not her rage. Among the mourners is Trish Tomlinson, who loved Laura long ago and has found the news of Laura's death sharply painful. She remembers Pam as an unwelcome third wheel but now finds comfort in the company of the young medical resident and in the details of Laura's journal that Pam shares.

Brought together by grief, something more grows. Guilt and anger cloud their feelings and jeopardize any chance at a future. How can love blossom in the shadow of death?
