PROTECTING HER BECAME HIS JOB...AND HIS OBSESSION

Dr. Meg Corning detested the way Erik Falco stormed the halls of Boston General Hospital as if he owned the place. The fallen-cop-turned-ruthless-businessman was throwing his weight around in his bid to gain control of her breakthrough medical technology. But putting this sexy stranger in his place seemed impossible once he swooped to the rescue during a series of mysterious "accidents." Before long, the explosive heat between them set off a chain reaction of pleasure and pain that nearly immobilized her. After Falco made a heart-stopping move to keep her safe, the data-obsessed doc knew it was time to analyze his true motives—and her own traitorous desires. Could they forge a bond of trust in time to outsmart a cold-blooded killer?
