An Introduction to the Bible Robert Kugler, Patrick Hartin

Many current Bible “intro” volumes focus more on theories about the biblical text than on the text itself. They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined. Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand. Their Introduction to the Bible surveys the content of all the biblical books, section by section, focusing on the Bible’s theological themes.
