Construir la familia que soñamos (Spanish Edition) Neva Milicic

Mire la diferencia entre estas frases: "Tu pieza es un asco, jamás podrás ser un buen estudiante con este desorden", y "Estoy seguro de que puedes hacer un nuevo orden en tu pieza, para que te sea más fácil encontrar las cosas". Aún no se ha inventado una escuela para padres, pero en *Construir la familia que soñamos*, la psicóloga Neva Milicic sin duda abre caminos hacia ella, entregando novedosas pautas para construir "relaciones nutritivas" entre padres e hijos, para que éstos se sientan valorados y acogidos, y donde el humor y el juego ocupen lugares privilegiados. Los lazos afectivos moldean la personalidad y las competencias sociales y emocionales de la persona. Cada palabra y cada actitud de los padres serán determinantes al ir creando la cultura familiar en la que nuestros hijos se van a desenvolver en el futuro. La inteligencia emocional se aprende por modelo, y es por eso que, a partir de la teoría y también de casos concretos, la autora entrega acertados consejos para enfrentar los tantos dilemas que se presentan en la vida cotidiana familiar. *Construir la familia que soñamos* es un libro escrito con profundo amor por los niños, con inteligencia y creatividad, dirigido a quienes están interesados en que niños y niñas crezcan en un ambiente donde se sientan felices, con lazos emocionales intensos y decisivos para que lleguen a convertirse en las mejores personas posibles.

From reader reviews:

Jeanne Gonzales:

What do you think of book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Just you can be answered for that question above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't desire do that. You must know how great along with important the book Construir la familia que soñamos (Spanish Edition). All type of book would you see on many resources. You can look for the internet sources or other social media.

Sandra McNulty:

Reading a book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Construir la familia que soñamos (Spanish Edition).

Robert Hollinger:

Reading a book to get new life style in this 12 months; every people loves to read a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and soon. The Construir la familia que soñamos (Spanish Edition) will give you a new experience in looking at a book.

Judith Roemer:

What is your hobby? Have you heard that question when you got learners? We believe that that query was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person just like reading or as examining become their hobby. You need to understand that reading is very important in addition to book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You will find good news or update with regards to something by book. Many kinds of books that can you decide to try be your object. One of them is niagra Construir la familia que soñamos (Spanish Edition).
