Christian's Quest is a fresh retelling of the classic allegory, *Little Pilgrim's Progress*. Christian is on an epic quest from the City of Destruction to the Celestial City. The road is long and difficult, and many interesting characters show up along the way. Some of his companions help Christian and encourage him in his quest, while others try to point him back to the City of Destruction. Will Christian make it to the Celestial City? Join Christian in this adventure-filled quest to find out...

Christian's Quest comes loaded with helpful features: discussion questions, an appendix of unfamiliar words, an allegorical key, and realistic black and white ink illustrations throughout. These tools ensure that each person joining Christian in his quest will have all he or she needs to understand the story behind the story—the Gospel message in all of its relevance to our everyday lives.
