Out of the shadows...

For more than a decade, Caro Barrett has had doubts about the death of her husband, who disappeared while looking for a tribe of day-walking vampires in an African rainforest. Now, their daughter is struggling through her teenage years without a father. Waiting in the wings is an ancient vampire ready to possess Caro's heart—and to protect them both from harm. And, with her husband declared legally dead, Caro feels it is finally time to move on...

A hemisphere away in a windowless compound, an Ottoman vampire lies dying from a rare blood disease, which has made him vulnerable to the faintest bit of light. Yet he is determined to vanquish its power over him—to feel the sun on his face one last time. And in Caro's darkest fears he will be lifted into the light of day...
