Rick Steves Travel as a Political Act Rick Steves

Travel connects people with people. It helps us fit more comfortably and compatibly into a shrinking world, and it inspires creative new solutions to persistent problems facing our nation. We can't understand our world without experiencing it. *Rick Steves Travel as a Political Act* helps us take that first step.

There's more to travel than good-value hotels, great art, and tasty cuisine. Americans who "travel as a political act" can have the time of their lives and come home smarter—with a better understanding of the interconnectedness of today's world and just how our nation fits in.

In the second edition of this award-winning book, acclaimed travel writer Rick Steves explains how to travel more thoughtfully—to any destination. With updated information on Europe, Central America, and Asia; an expanded discussion of the Middle East; and a brand-new chapter on the Holy Land that covers Israelis and Palestinians today, Rick shows readers how his travels have shaped his politics and broadened his perspective.

The royalties from the sale of this edition will be donated by Rick Steves to Bread for the World, a Christian organization working to end hunger around the world.
