Audrey Couloumbis

Lexie Audrey Couloumbis

Ten-year-old Lexie used to love going to the shore. For as long as she can remember, she's spent every summer there with her parents, eating hamburgers, swimming in the ocean, and combing the beach for treasure. This summer is going to be different though. Lexie's Mom and Daddy are divorced, and for the first time Mom won't be there. To make matters worse, Daddy has a surprise—his new girlfriend, Vicky, and her two sons are coming to stay with them for a week! Now Lexie has to share her house with perky Vicky, Vicky's moody teenage son Ben, and messy three-year-old Harris. The little beach house just doesn't seem big enough for so many people. Is there still room for Lexie?

In a voice that's sharp, funny, and sincere, Newbery Honor-winning author Audrey Couloumbis tells the story of a girl discovering that if you pay attention, sometimes you can find treasure in the most unlikely places.

From the Hardcover edition.

From reader reviews:

Ginger Knowles:

This Lexie are reliable for you who want to be considered a successful person, why. The reason of this Lexie can be one of the great books you must have is giving you more than just simple reading through food but feed a person with information that probably will shock your before knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions at e-book and printed people. Beside that this Lexie forcing you to have an enormous of experience for example rich vocabulary, giving you tryout of critical thinking that we all know it useful in your day task. So , let's have it and revel in reading.

David Munsch:

Why? Because this Lexie is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret that inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the publication store hurriedly.

Ester Beckles:

Are you kind of occupied person, only have 10 or 15 minute in your morning to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are receiving problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find publication that need more time to be learn. Lexie can be your answer since it can be read by you who have those short spare time problems.

Lorene Williamson:

In this period globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The book that recommended to you is Lexie this publication consist a lot of the information in the condition of this world now. This particular book was represented just how can the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. The actual writer made some research when he makes this book. That's why this book appropriate all of you.
