How to eliminate Bullying and drug Dependence, increasing also the LEARNING at school! Leonardo Boscarato
REVIEW

This paper is a collection of tips Leonardo Boscarato, boy of 28 years old, who has decided to dial it in order to help society to unravel, at least in part, the fundamental question that generates problems of various kinds, including of course, bullying , addictions, inattention, etc.

Who is it? To all the bullies and their victims, parents, teachers of all schools. Also suitable for those who do not have much time to read (to the commitments in the context of modern social) readable even in a smartphone without the use of a specific e-book reader: in fact it's about 30 pages, but where the author sums up, with his point of view, the result of years of reading and listening to lectures on his scientific and spiritual passions. It invites one to reflect on many social issues as well as the resolutions of problems.

"I realized that, in my mind, I do monologues continuously and read both the scientific books, but people are rarely interested in certain topics that were otherwise useful: so I decided to make a script for all, not long but intense, plot where many aspects, making a picture of the situation and proposing a set of solutions to certain social problems, having lived first in adolescence. Why not use my experience, these hours of pc and reading for those who do not have any time? I felt compelled to write down my thoughts! I had a "kind of call," a call for help that I could not ignore and not fulfill! "
