When a young American named Gus inherits his late grandfather's English estate, he hopes to sell the place and be on his way. But then, strange things start happening in the house. Gus's suspicions are confirmed when he learns the house isn't haunted--it's infested with Gremlins! The mischievous Gremlins are back! Based on the creation of beloved children's author Roald Dahl, these playful creatures have been in the public eye since World War II, disassembling fighter planes and causing havoc wherever they go. This beautiful hardcover collects Dark Horse's Return of the Gremlins comics, as well as an archive of classic Gremlins comics and stories from the 1940s!
