*A house with a dark history*

After a miscarriage and over a year in a psychiatric hospital, Macy Howard is ready to revisit her old home in Copper Lake, Georgia—a town tainted by memory.

When she returns, Macy meets Stephen Noble, an author and veterinarian, who doesn't know about Macy's troubled past. Stephen finds her irresistible, and, finally, Macy feels willing to trust another man. With her family's help, Macy packs up old remnants—eager to usher in new beginnings. Her future seems hopeful—until strange things start happening in the house: stirrings in the windows...items turning up in unexpected places...lingering scents that don't belong.

Is Macy slowly descending into madness? Or is something more sinister at work in Copper Lake?
