Los incendios (Spanish Edition) Alfonso Mallo

Esta novela transcurre en una ciudad con una topografía de límites precisos: entre la zona Norte, el lugar fundacional, y el Sur, en donde se espera la llegada del fuego. En este trazado hay algunos espacios que funcionan como señales: el bar El Mascarón, el frigorífico en el que vive Kilewicz, el almacén de Verzi, el hotel de Vallejo y la pieza de Herrera, junto al astillero. Una mujer de nombre incierto habita de distintas maneras cada uno de ellos. Se transforman, entonces, en monumentos amorosos, de extrañas historias de amor. Allí viven los que no quieren escapar de la ciudad, los que insisten en prácticas en desuso. El rosarino Verzi es un comerciante que se dedica al trueque y su almacén, un depósito de antiguos objetos, una colección pausada y meditada que construye en su desorden el orden del pasado. Kilewicz y Herrera escriben el presente como reflexión, escriben entre líneas la historia que se leerá cuando ya no quede nada: por eso son tan importantes las diferentes formas de morir que inventa el primero. Con el fuego cada vez más cerca, ante la certeza de la muerte, estas recetas delirantes, estas opciones imaginarias para suicidas abren una fisura en el tiempo ya determinado y proponen una forma de acción en medio de tanta inmovilidad.

SOBRE EL AUTOR

Alfonso Mallo nació en Mar del Plata, Argentina, en 1975, y vive en Santiago de Chile. Publicó *Luz de la inquietud* (relatos, 2003), *Los incendios* (novela, 2005) y *País de detalles* (relatos, 2012). Es editor.
