## **Nearlyweds** Beth Kendrick

An irresistible, romantic comedy from award-winning author Beth Kendrick—three wildly different women form an unlikely friendship as they try to decide whether they'd re-do their I Do's.

They've had the white dresses and the fancy receptions. But now that the honeymoon's over, Stella, Casey, and Erin have each had to face some hard truths about the men they've married and the lives they've chosen. So when the news breaks that the pastor who presided over their weddings failed to file a few critical pieces of paper, none of these newlyweds is rushing down to the courthouse to legalize her vows. Instead, the brides share their hopes, disappointments, and secrets while grappling with that pivotal question: Should they stay or should they go?

Everyone says the first year of marriage is the hardest...but what would you do if you found out that you were never really married in the first place?
