**Presidential Confidential: Sex, Scandal, Murder and Mayhem in the Oval Office** John Boertlein  
*Presidential Confidential* serves up the behind-the-scenes stories that the schoolbooks left out — deliciously juicy stories like secret (and sometimes sordid) affairs, dirty tricks, criminal acts, embarrassing moments, and much more. From George Washington stepping out on Martha to George Bush stepping on practically everyone, it delivers the sex, scandal, murder, and mayhem in the dishy style of a 1950s scandal mag. Author John Boertlein takes an irreverent, no-cow-is-too-sacred-to-be-spared approach, covering the mishaps of the great and not-so-great with equal relish: shady financial deals and shadier friends, famous drunks and infamous relatives, assassinations and assassination attempts. The stories range from in-depth treatments to short sidebars, making this an entertaining and informative read that can be sampled on the run or enjoyed at length. Loaded with pictures and fun facts, and featuring an attractive, stylized layout, *Presidential Confidential* is a riotous romp through the Oval Office.
