The Lambers four volume set of textbooks contains review material, examples and over 3,000 past exam questions with solutions. Each chapters starts out with the review material followed by examples. The back of each chapter contains the past exam questions and solutions relating to the chapter topic.

Volume One: Financial Accounting and Reporting

Volume Two: Accounting and Reporting with Federal Income Taxes

Volume Three: Auditing

Volume Four: Business Law

Lambers textbooks are used worldwide by CPA exam candidates in classroom and home study courses. The Lambers CPA Review was started in Boston in 1966 as a class and soon became the premiere CPA Review in New England with the textbooks as the centerpiece. The books became available as national home study items in the 1980's and since then have helped numerous candidates pass the CPA exam.
