Prayer is something that we hear Christians talking about all the time - but when it comes to actually talking to God, we often don't know what to say.

Written specifically for teen girls, the prayers in this audiobook are the prayers of our hearts. You can pray them or use them for inspiration for prayers of your own. You can pray about anything and everything - God is always listening.

The prayers we cover include: Depression, purity, acceptance, peer pressure, and more. We encourage you to pray along and make a habit out of praying for God to mold you into the woman He created you to be.

So what do you say?

Will you join us in praying for our true beauty in Christ?
