What If the Limits of Time and Space Were Breached?

Junior financial analyst Lena Fairchild loves managing risk and making money. Yet when she gets a mysterious invitation to take a leap into the unknown, she does not hesitate. Soon a series of events takes her to the brink of destruction. But Lena refuses to give in, entranced by glimpses of a future that redefine everything.

Reese Clawson emerges from prison gripped by the slow burn of revenge. She will track everyone who hand a hand in destroying her--and take them out. First on the list is Charlie Hazard.

As time and space become jumbled, Lena and Reese are pulled into a collision course that could alter the parameters of human consciousness.

As we know that book Flash Point (Fault Lines Book #2) has many kinds or genre. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and believe you are the character on there. Therefore , not at all of book are generally make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading that.

Michael Mitchell:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Flash Point (Fault Lines Book #2) can make you experience more interested to read.
