Martino e fiorenzo di bastia, santi della vigna e del vino. una lettura antropologica. (Italian Edition)

Fulvio Romano

Il patrimonio di affreschi del '400 delle cappelle tra Piemonte, Liguria e Francia merita uno sforzo interpretativo che vada al di là delle semplificazioni o della immediata godibilità artistica. Dai Santi, dalle Cavalcate dei Vizi, dai Giudizi Universali rappresentati in questi affreschi arrivano fino a noi racconti remoti, suggestioni pagane, personaggi che affondano radici nei miti del Selvaggio, dell'Orso totemico e nei riti della fertilità. Con questo ebook vorrei mettere a disposizione dei visitatori del complesso di Bastia di Mondovì le suggestioni che da anni mi riconducono a lavorare sulle figure mitiche di Martino, di Fiorenzo, sulla rilettura degli affreschi, sulle scadenze del calendario contadino e sulla meteorologia popolare.
