The Key to the Kalevala Pekka Ervast

The Key to the Kalevala was originally published in Finland in 1916. Now this insightful and detailed exploration of the ancient origins of Finnish mythology is available in English. Students of the ancient traditions and mystical teachings will find no better introduction to the profound esoteric meaning of the Kalevala, the Finnish National Epic, than Ervast's book. This translation is authorized by Ervast's study-school in Finland, whose members have worked to preserve his insights into his culture's past and the spiritual evolution of humanity. It relies on Eino Friberg's beautiful translation of the Kalevala (1988) into the modern American idiom. The combined work of Ervast and Friberg results in a unique, insightful, and aesthetically pleasing offering. "Pekka Ervast was the leading theosophical researcher and author in Finland during the first decade of the 20th century. Ervast's exceptional ability to write and speak in a popular and inspiring way earned him the respect and admiration of the common people." Reijo Wilenius, Professor of Philosophy, Helsinki, Finland
