River Monsters: Picture and Fact Book for Kids Speedy Publishing

River monsters are part of modern folklore. Those who believe that myths are something that exist only in the far distant past are incorrect. Anyone who knows a little bit about modern river monsters knows they are the root of 20th and even 21st century cryptozoology myths. For children, reading about these amazing creatures, both ones we know exist and those that are pure fantasy, opens many doors of imagination. The sense of wonder gained helps the young ones to think more broadly about the world.
