Study Skills for Social Workers (SAGE Study Skills Series) Christine Stogdon, Robin Kiteley

'The book is completely student focused. I envisage students having the text on their desks when they attempt their written work, and this is very much how a study guide should be used' - **Professor Keith Popple, London South Bank University**

Study Skills for Social Workers offers an accessible insight into the practical use of skills for study in a professional social work context. Engaging with students on their journey through the undergraduate or postgraduate qualifying course, it uses relevant case material from academic and social work perspectives to demonstrate the connection between study and practice. The book is comprehensive in its coverage of the core study skills, including guidance on:

- Effective writing
- Successful communication
- Reflective study
- E-learning
- Learning in the workplace
- Understanding feedback.

Written in a student-friendly style, **Study Skills for Social Workers** is interspersed with activities and exercises to enable students to practice and improve their skills as they move through the text. Also included is a glossary, and model answers to sample questions.

SAGE Study Skills are essential study guides for students of all levels. From how to write great essays and succeeding at university, to writing your undergraduate dissertation and doing postgraduate research, SAGE Study Skills help you get the best from your time at university. Visit the **SAGE Study Skills website** for tips, quizzes and videos on study success!
