Everyday Surveillance: Vigilance and Visibility in Postmodern Life William G. Staples

When we think of surveillance in our society, we usually imagine “Big Brother” scenarios with the government tracking our every move. The actual surveillance of our everyday lives is much more subtle, however, and may be more insidious. William G. Staples shows how our lives are tracked by both public and private organizations—sometimes with our consent, and sometimes without—through our internet use, cell phones, public video cameras, credit cards, license plates, shopping habits, and more. *Everyday Surveillance* is a provocative exploration of the myriad ways we are watched each day, and how this surveillance shapes our lives.

Thoroughly revised, the second edition considers new topics, such as the rise of social media, and updates research throughout. *Everyday Surveillance* introduces students to concepts of social control and incites classroom discussion about how surveillance impacts the ways we understand people and our lives at home, work, school, or in the community.

Jesus Thresher:

Many people spending their moment by playing outside with friends, fun activity together with family or just watching TV all day long. You can have new activity to pay your whole day by reading through a book. Ugh, do you consider reading a book really can hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like *Everyday Surveillance: Vigilance and Visibility in Postmodern Life* which is obtaining the e-book version. So , try out this book? Let's observe.

Ann Lang:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *Everyday Surveillance: Vigilance and Visibility in Postmodern Life* can make you experience more interested to read.
