William G.T. Shedd

ORTHODOXY AND HETERODOXY William G.T. Shedd

"There are no new truths, only new believers; and there are no new errors, only new errorists. W.G.T. Shedd recognized that the contest between truth and error is a constant reality of human history. In this miscellany he confronted the vigorous heterodoxy and apathetic orthodoxy of his day. This contest continues. The cast has changed but the script is the same, which makes this work as useful today as it was a century ago." -Dr. Robert P. Martin
