Teaching Chinese with Flashcards Level I: Traditional Chinese: My Fun Chinese Teaching Materials (Volume 1) (Chinese Edition) Yalan Tsai

This book is for Chinese teachers working with kids learning beginning Mandarin Chinese using Traditional Chinese characters. Subjects covered include: greetings, common classroom phrases, the four tones of Mandarin, classroom materials, numbers and colors.

The book is printed on 60# white paper (not card stock) with vivid colors and kid-friendly, fun illustrations. Teachers can use a knife or scissors to cut out the book's "flashcards" and laminate them for longer term use. The cards are designed 2 per page; sometimes they are cut lengthwise (such as for classroom phrases) and other times vertically. We do not use English in these books as it is designed for Chinese teachers or Chinese language tutors or parents who read Chinese characters. PinYin is only used for explaining the four tones.

This book uses the same style of images used in other Daily Noodles products. DailyNoodles, Inc. supports young kids learning Mandarin Chinese and their parents, teachers, and schools so that kids can reach their full potential. *Let's noodle in Chinese every day!*
