Visions and Revisions Dale Peck

Novelist and critic Dale Peck's latest work—part memoir, part extended essay—is a foray into what the author calls “the second half of the first half of the AIDS epidemic,” i.e., the period between 1987, when the AIDS Coalition to Unleash Power (ACT UP) was founded, and 1996, when the advent of combination therapy transformed AIDS from a virtual death sentence into a chronic manageable illness.

Reminiscent of Joan Didion's *The White Album* and Kurt Vonnegut's *Palm Sunday*, *Visions and Revisions* is a sweeping, collage-style portrait of a tumultuous era. Moving seamlessly from the lyrical to the analytical to the reportorial, Peck's story takes readers from the serial killings of gay men in New York, London, and Milwaukee, through Peck's first loves upon coming out of the closet, to the transformation of LGBT people from marginal, idealistic fighters to their present place in a world of widespread, if fraught, mainstream acceptance.

The narrative pays particular attention the words and deeds of AIDS activists, offering a streetlevel portrait of ACT UP with considerations of AIDS-centered fiction and criticism of the era, as well as intimate, sometimes elegiac portraits of artists, activists, and HIV-positive people Peck knew. Peck's fiery rhetoric against a government that sat on its hands for the first several years of the epidemic is tinged with the idealism of a young gay man discovering his political, artistic, and sexual identity. The result is a visionary and indispensable work from one of America's most brilliant and controversial authors.

From reader reviews:

Jaleesa Greenwood:

As people who live in typically the modest era should be revise about what going on or data even knowledge to make them keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Visions and Revisions is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Jackson Ponce:

You could spend your free time you just read this book this reserve. This Visions and Revisions is simple to bring you can read it in the recreation area, in the beach, train in addition to soon. If you did not possess much space to bring typically the printed book, you can buy the particular e-book. It is make you better to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Adrian Kao:

That guide can make you to feel relax. This kind of book Visions and Revisions was vibrant and of course has pictures on there. As we know that book Visions and Revisions has many kinds or variety. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and believe you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you and try to like reading that will.

Brad Sharpe:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Visions and Revisions can make you sense more interested to read.
