**Women Who Love Psychopaths: Inside the Relationships of Inevitable Harm With Psychopaths, Sociopaths & Narcissists** Sandra L Brown M.A.

I wrote this book to help the psychopath's victims understand their unique and unprecedented at-risk status—past, present, and future. I hope the book will teach them how to safeguard themselves from other predators and prevent the devastation psychopathy causes. Over 20 years of providing counseling, I have sadly seen hundreds (if not thousands) of lives devastated by varying levels of mixed pathology and psychopathy. This growing global pathology stands as one of the primary public mental health issues facing our world today simply because of the number of victims it will inevitably affect—because that's what psychopathy 'does.'
