**Snobs: The Classic Guidebook to Your Friends, Your Enemies, Your Colleagues, and Yourself** Russell Lynes

In this classic work by the renowned wit and pundit whom the *New York Times* has lauded as "one of America's foremost arbiters of taste and mores . . . an acclaimed expert on what was highbrow, what was lowbrow, and what was no brow at all," the inimitable Russell Lynes flaunts (rather snobbishly, perhaps) his unparalleled expertise on all things snobbish. Since the Social Snob—with his raised nostrils and air of intolerable intolerance—has long since gone underground, it falls to a true connoisseur to identify the myriad faces of snobbery. Whether it be the Regional, Political, or Moral Snob, the Sensual or Sex Snob, or that most virulent of genus, the Reverse or Anti-Snob Snob, Lynes shines an illuminating light that will enable us to more easily recognize the pervasive pretentiousness surrounding us . . . and perhaps *within* us as well.
