The Building of the European Union (Opus)

John Pinder

The Building of the European Union (Opus) John Pinder

The European Union is in 1998 on the threshold of great changes. First published as *European Community: The Building of a Union*, this third edition has been thoroughly revised and updated to take the Union's recent developments into account. John Pinder provides a detailed and coherent view of the evolution of the European Union, and investigates its future as Europe approaches the millennium.
